Understanding our size chart.

Chest... The measurement is taken with the jersey laying flat and measuring directly under the sleeve or bottom of the arm hole across to the other size. Using an adult medium as the example, the jersey measures 23" across the front. Double that measurement which is 46", that is how big around the chest of the jersey is, not the size chest the jersey will fit.]

Waist... The sizes on the chart reflect the full size of the waist of the garment in the relaxed (not stretched) position. You want the elastic snug to hold up your shorts. Example: A size Medium 28" waist will be too large for a player with a 28" waist as the elastic is not stretched.

Short Length... A medium adult short has a measurement of 23.5". The figure is from the top of the waist band to the bottom of the leg.
